Aston Dine and Buy March 16

The Spring Dine and Buy In Aston will be held on Thursday, March 16 to benefit the Sun Valley Post Prom. The event is a long standing tradition at Sun Valley designed to provide a safe and fun environment for our local young adults to celebrate after the prom. The Aston Business Association feels that keeping our children safe should be a top priority in any community.

When you participate in Dine and Buy In Aston by patronizing one of our Aston Business Association contributing members, the restaurant contributes a portion of the proceeds from your purchase to the cause. This spring the 2017 Sun Valley Post Prom Committee and the Aston Business Association are helping to keep our children safe after prom!

Township Approves Medical Marijuana Facility

Last month, Township Commissioners approved an ordinance change to allow for medical marijuana to be grown in indoor facilities in the Township. The ordinance states that no marijuana shall be established, developed, or operated within 1000 feet of the property line of a public, private, or parochial school or a day-care center. The facility also must be fully enclosed and not accessible by minors. The facility will not distribute, sell, dispense, or administer marijuana from the facility to the public.

The state defines "medical marijuana" as using the whole unprocessed marijuana plant or its basic extracts to treat a disease or symptom. Medical marijuana can help treat illnesses such as autism, cancer, Crohn's Disease, Multiple Sclerosis, Parkinson's and ALS. Governor Wolf signed the bill approving medical marijuana in Pennsylvania last April, there will be about 50 dispensaries eventually be located in 67 counties.

Reaction to the ordinance was positive at the Township's special hearing. Residents are looking forward to the various cancer and medical benefits medical marijuana provides.

The worksheet on the back of the form will help you calculate your out-of-state tax credit (attach a copy of your out-of-state filing).

If you have questions regarding local tax filing, call Keystone's Taxpayer Helpline at 1-888-328-0565 to speak with a local, knowledgeable Taxpayer Service Agent. You can also email your questions to "Taxpayer Support" at www.KeystoneCollects.com.

ABA Mock Interview Day at Sun Valley

The Aston Business Association will hold Mock Interview Day on Thursday, March 16 from 7:10-10:45 a.m. Mock Interview Day gives the senior class at Sun Valley the opportunity to experience a "real-world" interview conducted by members of the ABA and friends of the ABA.

The seniors prepare a resume and job interview application letter and bring them to their one-on-one interview that lasts about 10-15 minutes. The faculty tries to pair the student's interest with an interviewer's background as closely as possible and the students look forward to this event.

The mock interview gives the students realistic learning experience that helps to prepare them for college or job interviews. The interviewer completes a brief one-page evaluation to help the student improve their technique or encourage them. Sun Valley teachers will review the feedback with the students.

Learn more about participating in this event at astonba.com/contact-us/ and select Sun Valley Mock Interviews as the subject.
