Aston Remembers 5th Ward Commissioner James W. McGinn

Aston Township lost one of its own with the sudden passing of Aston Commissioner James “Jim” W. McGinn on Friday,

July 20, 2018 at the age of 68. Not only was Mr. McGinn Commissioner of the Fifth Ward, he was Commissioner for all the Township’s residents and was always there for them, especially when they needed help.

Jim was raised in the McCafferty Village section of Chester before moving to Aston as a youngster. In his youth, Jim was active in township sports having played football for the Aston AA and Little League Baseball for the Aston Middletown Little League. During his high school years at Sun Valley, Jim played football. After his playing days were over, he was a loyal supporter of local sports, and is an honored member of the Aston Township Sports Hall of Fame.

Devoted to his township, Jim remained in Aston serving as a Township Commissioner of the Fifth Ward for over 39 years, being the longest-serving Commissioner in the township’s history. He was President of the board for ten years from 1996 to 2005 and also served as Vice President. Jim dedicated his life to Aston and spent

special attention to issues relating to police and senior citizens, chairing both committees. He was also an honorary lifetime member of the Aston Township Fire Department. Jim’s accomplishments are far and too many to mention here. However, two community projects that stand out are building of the Aston Township Community Center, dedicated in 1997, and the Aston Township Veterans Memorial Garden at Five Points, dedicated in 2009. Jimmy was the driving force behind both projects and his dedication and fund-raising ability lead to their completion. We know he is proud of what has been accomplished at both venues.

Commissioner McGinn, during his nearly 39 years of public service, touched the lives of thousands of people at the Township, County, State and National level. Jim had a strong view of the importance of local government and was deeply involved at all levels. In addition to being a former President of the Aston Township Board of Commissioners, McGinn served on and chaired many outside committees and associations. He was Past President of the Delaware County, Eastern Pennsylvania and Pennsylvania State Association of Township Commissioners (“PSATC”) and a member of their Executive Committees. His pinnacle moment with the PSATC came in 2001, when as its President, he was named Township Commissioner of the Year by then Governor Tom Ridge. McGinn also served as Chairman of the of the U-Comp Unemployment Compensa-

tion Trust, as well as, Chairman of the Aston Township Police Pension Plan Committee. He was also a Committeeman on the Aston Republican Executive Finance Committee as long as he had been commissioner, serving as its Chairman, and more recently as Vice Chairman.

Jim deeply cared about people. For many years, he provided poinsettia flowers to the senior citizens at their annual Christmas luncheon bringing smiles to their faces as they left for home. Likewise, he sponsored pictures with Santa for 5th Ward children and their pets at Christmas making for a lot of happy faces. He has also been a great friend to the Sisters of St. Francis of Philadelphia and liked bringing them ice cream from the Aston Dairy Queen. He was also a friend to Neumann University and their staff.

When Jim McGinn was not busy helping the residents of Aston and serving on the Board of Commissioners and the many associations and committees statewide, he was employed as an Account Executive for RT Opdendaker & Sons Trash Removal. He was very proud to be employed by Opdendaker. Jim often said, “I have been in this town for a long time. I remember when Knowlton Road was a white cinder road with no street lights at five points. They were all stop signs.” He often commented, “I remember when there was a dairy farm behind my house on Knowlton Road...” He certainly saw Aston grow into a wonderful place to live since moving here as a young boy. Jim

Remembering Commissioner McGinn..

McGinn had a heart of gold. If you were from Aston, Jim was there to help you if you had a problem. If anyone needed help with anything, all they needed to do was call Jim and he would take care of it. People really don't know what they don't know about what Jim did to help the people and the Aston community. He gave of himself for others.

Jimmy was truly an Aston Township icon with a one-track mindset, that being a love of the Township and its residents. Next to his family and his church, Aston Township was the most important thing in his life, and he showed it. Jim has been quoted saying, "... I have been here my whole life and I will die here. I do love this town." And he did both. Aston Township was truly his town.

We speak on behalf of the Aston Township Board of Commissioners, the Township Staff and the Aston Police Department when we say that Jimmy will be missed by all. Our thoughts and prayers are with the entire McGinn family and all those grieving our loss. May Commissioner James "Jim" W. McGinn rest in Peace.
