

*Public Works Minutes
February 6, 2012*

*PRESENT: Commissioner Gary Robinson, Chairman
Commissioner Mike Fulginiti
Commissioner Carol Graham
Richard D. Lehr, Township Sec/Manager
Joseph Viscuso, Township Engineer
George Needles, Twp Adm. Assistant
Russell Palmore, Roadmaster
Carol L. Thompson, Secretary*

Commissioner Gary Robinson, Chairman of the Public Works Committee called the February 6, 2012 Meeting to order at 6:30 p.m.

Road Foreman's Activity Report

Russell Palmore, Road Foreman reported that the Sanitation Department has picked up Heavy Trash and Freon items and other appliances.

The Township vehicles and Police Vehicles are being maintained by Tom Bradley our Mechanic on a regular schedule.

Russ reported that Pot Holes are being fixed as needed. Gary asked if the Pot Hole on Gerald Drive is fixed? Russ will check tomorrow.

At the Workplace Safety Committee Meeting the Chief brought to our attention that the lower window located near the back door is broken. Russ explained that Bud has had the time to take care of the broken window in the Police Dept.

The Township Administration Building has had the Hall Closet extended. Bud completed the project and now Michael will finish with the painting. No overtime was required.

The old 1989 Truck was used the last snow fall and fuel injection broke. The Truck is no longer in any working condition.

Drainage Contract Punch List

Joseph Viscuso, Twp Engineer, reported that all items have been completed on the list except a sealing & coating at Mr. Sexton House. Money was put into reserve and Novotni Bros. will do the sealing and coating in the Spring. The Final Payment to Ashton was authorized at the December 29th Meeting.

New Road Drainage Stabilization Update

Dick reported that JMC is doing this project. They have Completed the project.

2012 New Ford Dump Truck

Dick and Russ had a meeting with Pat from Bay Shore She is applying for the Co Star Program. Delivery of the truck should be 2 to 4 months.

Old School House Grant HVAC

Ellis Construction is in the process of doing the installation of Heating & Air Conditioning along with Painting of Stucco and window treatments on the outside of the building. Dick reported that the Gas will be installed in the next two weeks.

Drainage Repairs by A.F. Damon

*Dick reported that we are waiting on prices for Three projects. Retention Pond on Richard & Thomas Rd
107 Donnelly Avenue
2945 Moser Street*

Report Leaf Collection for Review & Discuss March 12, 2012

*Russ distributed a completed report on the Leaf Program
Russ asked that Commissioner Gary Robinson give the report
to the rest of the Commissioners for their review.*

*He requested that he give a detailed presentation to the
Executive Committee at the March Meeting.*

*Commissioner Gary Robinson and the Committee
review sections of the report to get some clarification on
the charts.*

OTHER BUSINESS:

County Highway Aid Application (2012)

*Dick stated that the Township will adopt a Resolution
At the February Commissioner's Meeting to apply for the
Liquid Fuels through the County Aid Program of 2012.*

Recycling

*The Committee discussed the schedule for Recycling
Russ stated that some Commissioners have inquired about
Recycling once a week.*

*There are still some Residents who do not recycling
At all. Russ stated that the Sanitation Workers do know
who these Residents are. Commissioner Gary Robinson
stated that he would like these Residents notified. Russ
stated that we do have a flyer we can give out.*

Gas / Maple Lane

*Commissioner Carol Graham inquired about the
possibility of getting a Gas Line installed on Maple Lane.
She stated that many residents are interested in having
this available. At the present time they have propane.
Dick will contact Ralph Brown our representative from
PECO and see what can be done.*

*There being no further business of the Public Works Committee
The February 6, 2012 Committee was adjourned.*

Respectfully Submitted:

*Carol L. Thompson
Secretary*

*There being no further business of the Public Works Committee
