

NOTICE TO RESIDENTS

The purpose of this notice is to advise you that STANDARD PIPE SERVICES, LLC. was contracted by DELAWARE COUNTY REGIONAL WATER QUALITY CONTROL AUTHORITY to perform relining of the main line sanitary sewer affecting your service using the cured in place (CIPP) method of trench less pipe rehabilitation. The rehabilitation work affecting your property is scheduled to be performed starting _____.

No excavations are planned.

During this time, the sewer service to your property must be discontinued for a period of approximately 8 - 10 hours. Please do not use water except for toilet flushing during this time. Should a problem arise restoring your service within the time indicated, a representative from STANDARD PIPE SERVICES, LLC. will personally contact you at your property to explain the resolution to you. All clean up and restoration will be done AS SOON AS POSSIBLE. Questions, problems, or interest in our process should be directed to a STANDARD PIPE SERVICES, LLC REPRESENTATIVE.

REPRESENTATIVE/TITLE

Jeremie Bib - Director of Operations
