*Think Globally, Act Locally!* If improperly discarded, household products containing toxic chemicals can be a threat to people, pets and the environment. Never dispose of hazardous materials in the trash as they may harm your sanitation workers or result in a collection vehicle fire. It is also unsafe to pour HHW down a sink or storm drain as it will end up polluting our drinking water.

## **ONLY Household Hazardous Waste will be accepted** **Electronics Waste & Latex Paint will NOT be accepted**
